Contests without debate,

Haughty young Ness and he,  
found himself in quite a big mess!

D

"Since," the Devil said,  
"this is our first confrontation,"

D  
N

"We will only play for all you possess,

Your gold, your clothes, your car, your estate,

May the best man win and please,  
Ness, do impress."

The Devil whooped his ass  
without hesitation -

"And in a state of great mental debate,  
the following says Ness:

K  
D

"I'll play again, double the bet,  
my head on a plate."

"Why yes, why not, a rematch is of course  
what noblesse suggests"

D  
NR

"So if you lose, just for your information:

I will have your soul, Ness, and,"  
added with great sentence stress -

K  
N

"Double you straight for  
your lovely Queen Kate:

Play white again, Ness, so  
the both of you can be my guests!"
